Dear Mr. Jose Ramos Horta,

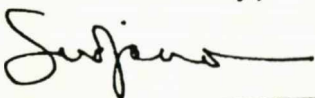

I thank you for your fax dated February 6th, 1993.

I fully understand of the contents of your fax, and appreciate on your willingness to become as a witness on Mr. Xanana Gusmao's case.

According to the birocrasy, I assume it is difficult for you to come to Indonesia, however, I'll try and do my best so that you can attend the court.

At least I hope you can give me all the information properly which is according to the case, and appreciate if you can send them by fax.

Yours sincerely,

Sudjono, S.H.
